JOAN G. WEXLER
JOSEPH CREA DEAN AND
PROFESSOR OF LAW

June 2005

Dear Members of the Class of 2005:

On behalf of the faculty, administration, and staff, I want to congratulate you on your graduation from Brooklyn Law School. We know that the demands of law school have been immense, but that is precisely why you can take such pride in your achievement.

You are about to discover first-hand that because you are a lawyer, your power to influence the course of private lives and public affairs has never been greater. I am certain that you will exercise your influence with strength and grace, and with care and responsibility, in part because of the training that began here, at Brooklyn Law School.

Indeed, my sincerest wish is that a few years from now, when you reflect on your legal education, you will find that we did our best to instill in you a love of the law and a commitment to what is best about the profession.

Now you are members of the Brooklyn Law School alumni family — a family spanning several generations whose members can be found in law firms, government agencies, public interest law offices, and management suites across the country around the world. There will be many “family gatherings” in the years to come, including class reunions, symposia, and social events. We look forward to seeing you at all of them.

With all best wishes,

Joan G. Wexler

ASIAN AMERICAN LAW STUDENTS ASSOCIATION

The Asian-American Law Students Association seeks to foster a consciousness of the legal system's impact on Asian-Americans and to raise awareness of legal and political issues that concern Asians in our society. As the largest BLS organization under the SBA, AALSA sponsors events for the benefit of the entire BLS community such as: public & private interest career panels, a Chinese New Year celebration, 1L Moot Court & Law Review prep sessions, final exam study breaks, and the annual AALSA alumni dinner.

BLS SOCCER TEAM

This was the first year of the New York City Intramural Law School Soccer League. Brooklyn Law School entered four skilled teams into this city-wide league, with a total of 44 students participating. After a long eight game season and playing at various locations throughout Manhattan, one of Brooklyn's teams found its way to the city championship game.

LEGAL ASSOCIATION OF ACTIVIST WOMEN

Legal Association of Activist Women (LAAW) is an organization committed to mobilizing law students in action concerning issues that affect women and the law. Some of our programs and projects include: the fight against domestic and international violence against women, access to reproductive choice and family planning, pay and career equity, women friendly workplaces, and judicial nominations.

BLS AMERICAN CIVIL LIBERTIES UNION

This organization is dedicated to preserving and enhancing the principles and values embodied in the Bill of Rights, the U.S. Constitution, and the New York State Constitution. The ACLU mission has been to defend the fundamental civil liberties, values of freedom of speech, equal protection and due process of the law.

Latin-American Law Students Association

The goal of the Latin American Law Students Association is to increase the recruitment, admission and retention of Latin American students at Brooklyn Law School. Members enhance communication with the Latin American legal community locally and establish meaningful rapport between this community and the law school.

National Lawyers Guild

The goal of the Guild is to support the efforts of workers, minorities and women. The law school chapter sponsors debates and speakers. In addition, it emphasizes projects in such areas as labor, unemployment, affirmative action and law student organizing.

Outlaws

Gay and lesbian students hold bi-weekly meetings and periodic social events. OutLaws sponsors panel discussions on issues affecting the gay and lesbian community, and coordinates activities with other gay and lesbian legal organizations.

Student Bar Association

The SBA is the umbrella student organization that controls the budget for all other student organizations, and appoints students to various faculty-student committees, including the Clinical and Curriculum Committees. The SBA plans parties and other social activities, supervises class functions, and serves as the student voice to the faculty and administration.

Brooklyn Real Estate Society

The purpose of the Brooklyn Real Estate Society is to promote and facilitate knowledge about real estate issues in the practice of law. We introduce students to careers in real estate law and serve as a resource for students regarding issues about real estate, the law, and matters concerning both.

Environmental Law Society

The organization is comprised of students and faculty members whose interests and experiences include environmental law, international law, the laws of war and bio-terrorism, real estate law, land use and zoning laws, administrative law, maritime laws, corporate law, and federal policy. Each year the ELS continues to expand its membership and increase environmental awareness in the surrounding academic and local communities.

Italian-American Law Students Association

The Italian American Law Students Association sponsors parties in and out of school, sporting events and an annual dinner dance, as well as a speakers program. Its goal is social service and the encouragement of greater participation by Italian-Americans in the legal profession.

Jewish Law Students Association

The Jewish Law Students Association sponsors a variety of educational and social activities designed to increase students' knowledge of Jewish issues, customs and holidays. It also hosts various social activities and frequently invites speakers to address current cultural, religious and political issues.

American Constitutional Society

The Society's mission is to restore to its central place in American law the principles of respect for human dignity, protection of individual rights and liberties, equality, and access to justice. The Brooklyn Law School chapter, under the advisement of Professor Will Hellerstein, seeks to advance intellectual engagement and legal debate at the law school by sponsoring events, debates, and noteworthy speakers.

American Trial Lawyers Association

ATLA provides lawyers with the information and professional assistance needed to serve clients successfully and protect the democratic values inherent in the civil justice system. In our Brooklyn chapter, ATLA strives to educate students in many facets of trial advocacy.

Brooklyn Entertainment Law Society

BELS is organized and will be operated exclusively for educational and legal purposes to promote the following: an increased knowledge of and greater interest in the relative legal fields of entertainment law; greater interest in entertainment law and its applications; a means of communication between persons having an interest in entertainment law

Brooklyn Law Students For the Public Interest

The organization helps raise fellowship funds for students interested in working in public interest positions. The organization also sponsors a speaker series on topical public interest law issues.
